

Accountability Partner Tips 4 Success

Your perfect accountability partner will help you reach your goals, and assist in moving you out of any old stagnant patterns

Before choosing an accountability partner, ask yourself:

Are they trustworthy ?

Are they timely?

Are they honest, but kind?

Are they someone you respect in business?

Be clear with each other about:

What you want

How often you want to meet

How will you communicate

How you will celebrate wins

How you will handle losses

What your biggest pitfalls could be

What are your strengths

What your are you excited about

What are you nervous about
